

Breaking Ancestral Agreements

When you are born into a family, you are agreeing to carry the ancestral patterns of behavior. Even If you seem to overcome the pattern, you still carry the agreement and pass that on to your children. This session is focused on breaking those ancestral agreements. We will also be offering assistance to your family and entire ancestral lineage.

We will specifically be addressing patterns which are carried by many:

- **Religious Repression** - regardless of which religion - sin, shame, guilt, unworthy
- **Addictive compulsive** - alcohol, drugs, sex, working, shopping, cleaning, computer games, tv, romance novels, gambling, food, or whatever.
- **Abusive** - physical, emotional, verbal, sexual, even bullying, disrespecting, disregarding, demeaning.
- **Lack** - of money, love, support, joy, opportunity, nurturing, self esteem, or whatever
- **Male/Female dynamic** is distorted, dysfunctional, and out of balance
- Others as appropriate
